PROGRAM

WHY CHOOSE SPORTSTRAP

In 2007, SportStrap commenced trading in Ballarat Victoria, and since then has managed to expand into a National business, providing service throughout regional and capital Australia.

This rapid growth is due to 3 key business principles that are never compromised:

- **HIGH QUALITY PRODUCT**
- **SERVICE** that is second to none
- **LOW PRICES**

SPONSORSHIP PROGRAM

In 2014, Sport Strap will continue to support clubs by providing the highest quality products at the lowest price. We estimate that the saving for 2014 will be an average of 30% compared to our major competitors.

Further to the financial savings SportStrap has introduced an achievable and practical sponsorship program, which we hope will help support clubs throughout 2014.

Our program will allow your club to receive incentives at multiple stages throughout the year, as opposed to our competitors that only provide one.
